**NOTICE OF FINGERPRINT PROCESSING REQUIREMENTS UNDER THE  
CALIFORNIA DEFERRED DEPOSIT TRANSACTION LAW**

The Applicant Live Scan program is a system for the electronic submission of fingerprints and the subsequent automated background check and response. The response time from the Department of Justice when using the Applicant Live Scan program is faster with fewer rejections. Applicants can now download the triplicate form for the Request for Live Scan Service from the Department's website at [www.corp.ca.gov](http://www.corp.ca.gov).

The applicant must take the three-part form to a live scan location to have their fingerprints taken by the operator. The applicant's fingerprints will be transmitted electronically to the Department of Justice for processing. The applicant will be required to pay the fees charged by the Department of Justice for processing the fingerprints directly to the live scan operator.

Please go to the Attorney General's website at <http://caag.state.ca.us/fingerprints/publications/contact.htm> for current information concerning the location of live scan terminals. You may also call the Department's Call center at (866) 275-2677 for information on Live Scan locations.
